*We never met a kid whose potential we couldn't see!*

Potential is the mind's right to imagine, the body's right to move and the soul's right to believe in itself. At the YMCA we believe potential is every kid's right, every kid's advantage, every kid's secret weapon. Because the one thing about potential is you don't want it to just stay potential - you want it to become everything it can be, in every kid!
